TWENTY-SEVENTH YEAR NO. 29.

CEDARVILLE, OHIO, FRIDAY, JULY 29, 1904.

PRICE \$1.00 A YEAR.

ENDSLEY-GRAY.

Beautiful-Wedding at the Home
of Mrs. Belle Gray.

INTERESTING EVENT

Ceremony Performed by Rev.
W. R. McChesney in the
Presence of Friends.

One of the prettiest weddings that
has occurred in Cedarville in recent
years took place Wednesday evening
at 7:30 o'clock at the home of Mrs.
Belle Gray, when her daughter, Daisy
Elma, was united in marriage to Mr.
Andrew Doak Endsley, of Tarentum,
Pennsylvania.

Just before the ceremony "the
Rosary" was sung by Mr. George
Sieglar, followed by the Lohengrin
Bridal Chorus by a quartette con-
sisting of Rev. W. J. Sanderson,
Frank Ball, George Sieglar and Ralph
Ball, accompanied on the piano by
Miss Mabelle Owens.

To the sweet strains of the Bridal
Chorus Miss Edna Hunter, the maid-
of-honor, entered the room and ap-
proached the bow window. At the
alter she was met by the groom and
his best man, Mr. E. C. Farwell.
Then came Miss Lucile Gray, as
flower girl, followed by the bride on
the arm of her brother, Mr. James
Gray. The impressive German Re-
formed ring ceremony was used by
Rev. W. R. McChesney in uniting
the happy couple for life.

Immediately after the ceremony the
bride and groom led the way to the
dining-room, where a three-course
bridal supper was served. At the
bride's table were seated the following
persons:

Mr. and Mrs. Endsley, Rev. and
Mrs. McChesney, Miss Elliott, Miss
Hunter, Mrs. Dunn, Miss Mabel
Owens, Miss Lucile Gray, Messrs.
Hugh Endsley, E. C. Farwell and
James Gray.

The decorations were handsome
throughout. The dining-room had
blue and white for the color scheme—
blue and white hearts, blue ribbon and
white sweet peas. Green and white
were the colors for the other rooms,
clematis being found in abundance.

The bride's gown was of Paris
white mull, elaborately trimmed in
real lace. She carried a bouquet of
sweet peas. The maid-of-honor wore
a pretty gown of blue silk mull and
carried white carnations. The rare
beauty of the bride, who is always
handsome and attractive, was never
more evident than on this occasion.
The groom was attired in the conven-
tion black and was looking happy, as
well he might, over winning such an
estimable bride.

Mr. and Mrs. Endsley were driven
to Xenia immediately after the supper,
where they took an interurban car for
Dayton. They took the train from
this point for St. Louis, where they
will remain one week. On their re-
turn they will make a short visit here
before going to their new home at
Tarentum, Pa., where Mr. Endsley is
principal of the high school.

The couple were the recipients of
varied and valuable presents, all of
which will be held in high esteem as
tokens of friendship from the donors.
Among the presents were a number
of costly pieces of cut glass and silver-
ware.

The best wishes of the many friends
of Mrs. Endsley, who was always a
social favorite, follow her and her
husband in their new life.

Among the out-of-town guests were:
Mrs. Louis Dunne, of Mineral Springs,
O.; Dr. Hunter and Miss Edna
Hunter, of Ashland, O.; E. C. Far-
well, of Cleveland; Miss Isabel Gray,
of Cincinnati; Prof. and Mrs. Robb
Harper, of Superior, Wis.; Mr. and
Mrs. Wm. Torrence, of South Charles-
ton, O.; Mr. Hugh Endsley, Coshoc-
ton, O.; Mr. and Mrs. Chas. Nesbit,
of Loveland, O.; Miss Thelma Korn,
of Springfield, O.; Miss Bernice Wol-
fort, of Dayton, O.; and Miss Mamie
Elliott, Coshocton, O.

WHAT THE DOCTOR THINKS

The Times Star last Saturday eve-
ning contained a lengthy article quot-
ing what Rev. David McKinney, D.
D., had to say of the visit of the Elks
lodge to Cincinnati during the meet-
ing of the Grand lodge. Dr. Mc-
Kinney in no uncertain terms told
his congregation as to what he saw
and the manner in which the members
of the antlered herd conducted them-
selves. He says that during the
parade men were so intoxicated that
they left the lines and grabbed ladies,
hugged and kissed them despite their
protest. The police department
came in for a scolding for not en-
forcing the law on this occasion.
The learned gentleman should not be
so hasty in attacking men for this
work, as they are the ones that seem
to be the "candy." Cincinnati people
should not wonder at such antics
when Greene county had a very sim-
ilar thing happen at the O. S. and
S. O. Home a few months ago with
members of the State Legislature.
It was at this time that our own
distinguished citizen the "Grand
Duke of Highball-ism" came into
prominence. It is said that he will
be more prominent than ever when
one of the visiting boards to the child-
ren's institution makes their report.

HURRAH! AT LAST

Did the Business Men, With the
Assistance of the Umpire

WIN A BALL GAME.

Their Opponents in Yesterday's
Battle were Called "All Stars."
Heavy Batting a Feature.

The Business Men (?) played an-
other game of base ball on the college
campus yesterday afternoon and had
for their opponents and aggregation
called the "All Stars." These stars
were of varied magnitude—some small
and others large, but none of sufficient
brilliance to dazzle you. It was a
hard fought game from start to finish,
the score being tied at four different
times. Marion Silvery, a business
man himself, umpired the game, and
if the "Twinklers" are to be believed,
he used his razor and clippers both on
them. The score, at the end of the
ninth inning stood 18 to 17 in favor
of the B. M. Following is the line-up:

Business Men All Stars
Nesbit.....catcher.....Bridgeman
Gray.....pitcher.....Fisher
Gillhaugh.....1st base.....Glenn
Tarbox.....2d base.....Kennon
Spencer.....3d base.....Barlow
Phillips.....s.s.....T. McFarland
Neagle.....c.....R. McFarland
Whittington.....c.....McGwin
Sieglar.....c.....Jones

NOTES OF THE GAME.
Bridgeman did some fine work be-
hind the bat.

The musical voice of Prof. George
Sieglar added to the pleasure of the

game. He was able to strike a chord,
but he could not do that trick to the
ball.

Tom Tarbox made his appearance
for the first time since his return from
Chicago, where he signed a National
League contract. The Chicago's have
"farmed" him out to the B. M. for the
remainder of the season. When the
Postmaster came to the bat in the
first inning his admiring friends pre-
sented him with four cancelled postage
stamps and two stogies. Clark Baker
made the presentation speech.

The next time the Stars pay a visit
to earth they should bring the "dipper"
along to use in scooping up grounders.

Jeff "Hobson" Nesbit was indeed a
hero both as a catcher and a batter.
He would have done better had there
been any of the fair sex present.

Bradley Fisher had a case of rattles
or total eclipse.

Our poet dedicates the following to
the Stars:

"Twinkle, twinkle, little stars,
How we wonder what you are!
To the skies you'd better return,
And the game of base ball learn."

Jim Gray picked up a few new and
deceptive curves while in the World's
Fair city and used them to great ad-
vantage.

"Zeke" Phillips broke a bat the first
time he came to the plate. After that
he broke nothing but holes in the
atmosphere.

Ex-Street Commissioner Bob Ford
took Prof. Sieglar's place in right
garden in the fifth inning, and the
way in which he dug up the weeds
was a caution.

Harry Whittington used a flour
sack to stop the balls that came to
center field.

THE BLOCK SYSTEM.

The Pennsylvania railroad company
is putting in a new wire for the pur-
pose of operating what is known as the
"block system." The workmen
were in town Monday and Tuesday
there being quite a number of them.
They had their own cars and boarded
themselves. The operation of this
system between Columbus and Rich-
mond will give the company a much
safer and faster method of running
trains. Another thing reported is
that the "fill" west of town will be
widened for double tracks and the
present tracks raised about twenty
feet, so that the heavy grade will be
reduced for trains going west.
Should this be done there will be an
immense amount of work required.
The order calls for the "block system"
to be completed and in operation by
the first of the month.

NEW HEAD

To Govern the O. S. and S. O.
Home at Xenia.

HERRICK'S DEMANDS

The Board is Divided on the
Governor's Choice for
Superintendent.

All indications now point to the
fact that the Soldiers' and Sailors'
Orphans Home will have a new super-
intendent after the next meeting of
the board, which takes place next
Tuesday, August 2d. The recent
scandal at this institution has caused
so much talk that the board must se-
lect a head through the demands of
Governor Herrick. On this question
two of the members have taken the
side of the present superintendent,
Col. Chas. L. Young, and have made
several moves to have him re-elected,
his time having already expired. The
other three members are opposed, so
the board is divided with but little
hope of uniting so far as the retention
of Col. Young is concerned.

The principal charge against Super-
intendent Young is that he is not
enforcing the discipline that is neces-
sary about such an institution, and
particularly was this so when the mem-
bers of the legislature held "high
carnival" there several months ago.
The Board of Lady Visitors is also
said to have used a strong influence
since it learned the exact condition of
affairs after the scandal. When the
report is made public some sensational
charges are looked for.

TROUTE-DUFFIELD.

The marriage of Miss Effie Duffield
to Mr. Willard Trout took place
Thursday evening at the U. P. parson-
age at 8 o'clock, Rev. O. H. Milligan
officiating. The affair was a very
quiet one, and had been planned with
utmost secrecy; none of their friends
nor relatives being present. Mr. and
Mrs. Trout at present are stopping
with the groom's parents, Mr. and
Mrs. Ira Trout, but expect to soon
go to housekeeping. The groom has
employment at the paper mill. The
bride has taught in the public schools
for several years, and was re-elected
for the ensuing school year, but will
offer her resignation at the next board
meeting. The bride is a member of
the U. P. church while the groom
belongs to the M. E. congregation.

"DRYS" WIN AGAIN.

Xenia had her second successful elec-
tion under the Beal law yesterday.
The saloon element asked for the elec-
tion petition but it is probable that
they would not have done such a
thing had they known that they were
to be in the minority. It was contend-
ed that the town would be "wet"
after the first two years of local option,
but the campaign waged by the
"drys" has been a successful one as
shown by the vote. The "Citizens
League" offered a reward for illegal
voting, this being supported by the
presence of detectives. The news-
papers have had much to do with the
result as public sentiment was aroused
by these mediums. While there has
been some violation of the law in
Xenia the people were ready to do
what they could toward enforcing the
law. The vote yesterday was 1158 to
1086 in favor of the "drys". The
total vote exceeds that of two years
ago by 89. The majority two years
ago was 199.

The expenditure of money in the
Fourth ward for "wet" votes is what
reduced the majority.

William Lucas, white, was arrested
by Constable Criss Thursday after-
noon for illegal voting. He works
near New Jasper and claims his home
to be in the Fourth Ward.

AN ACT OF BRAVERY.

One of the greatest acts of bravery
that ever came under our observation
occurred in front of the bank last
Saturday. A horse attached to a
buggy became frightened at a passing
automobile. It seemed for a moment
that the horse would succeed in getting
away from its jail driver, when a
lady, the owner of the rig, and "Jeff"
Nesbit rushed to her assistance. The
lady grabbed the bridle of the horse
and succeeded in quieting it. Then
"Jeff" played the hero act and went
to the lady's assistance. A notice
of his bravery has been filed with the
proper authorities at Washington, and
a medal is expected.

STATE FAIR

Will be a Complete Industrial
Exposition.

PLENTY OF EXHIBITS.

Amusing Features Will be up to
the Standard. The Fair Will
be Unexcelled.

The Ohio State Fair, which this
year opens at Columbus on Monday,
August 29, to continue until the
evening of Friday, September 2, has
completed exhibition capacity and
general arrangements, unequaled by
any other State Fair.

All the Exposition buildings are
extensive in capacity, elegant in de-
sign, ample in accommodations and
marvels of completeness. These build-
ings are located with a view to ease of
access in covering the rounds of the
many departments of the Fair and
are in harmony with the park effects
of the beautiful grounds upon which
they have been erected.

The exhibition facilities, by reason
of which the best of exhibits are at-
tracted for each of the well arranged
departments, stamp the Ohio State
Fair as a complete industrial expo-
sition, and there are none better, or
more comprehensive and instructive
in every detail, class and division.
These buildings contain a total of
more than 400,000 square feet of ex-
hibition space.

The exhibits are not all encompass-
ed within the exhibition buildings.
On open grounds, correctly plat-
ed, will be found the exhibits proper to
be found at the large national expo-
sitions, such as portable engines, steam
rollers and crushers, grinders, steam
presses, hay loaders and carriers,
hydraulic apparatus, saw mills, ditch-
ers, scrapers and road machinery, etc.

To show this class of exhibits about
ten acres of ground are required, but
the display made is a great exposition
in itself.

In the general make-up of the Ohio
State Fair, the exciting and amusing
features are never neglected, while
never of a character that cannot be
approved and enjoyed by all classes.
It is recognized that the people attend
the Fair for a dual purpose, the bene-
fit to be derived from an inspection
of the exhibits, and the pleasures
afforded by the features of amusement
and entertainment. The forthcoming
Fair will contain no weak places and
none that will not be worthy the at-
tention of every visitor.

The location of Columbus as a di-
rect railway center and the low rates
that have been secured over every
line during the entire week of the Fair
together with great facilities of the
city for affording accommodation to
strangers within her gates, makes it
possible for the people to attend at
very moderate expense, and with a
certainty of being well cared for as
well as highly entertained.

Model That's the Flour.

The marriage of Mr. Arthur B. Reed, a topographical artist of Jeffersonville, to Mrs. Maud Hibben of this place, occurred Thursday evening at the home of the brides sister, Mrs. Gus. Jenkins of Xenia. Mr. Reed was in business here at one time and is well known.

Of Wide Interest.

Breed. Wis., July 18—Special—Chas. Y. Peterson, Justice of the Peace for Oconto Co., has delivered a judgment that is of interest to the whole United States. Put briefly, that judgment is: "Dodd's Kidney Pills are the best Kidney medicine on the market today."

And Mr. Peterson gives his reason for this judgment. He says: "Last winter I had an aching pain in my back which troubled me very much. In the morning I could hardly straighten my back. I did not know what it was but an advertisement led me to try Dodd's Kidney Pills. After taking one box I can only say they have done more for me than expected as I feel as ever I did before."

Pain in the back is one of the first symptoms of Kidney disease. If not cured by Dodd's Kidney Pills it may develop into Bright's Disease, Diabetes, Rheumatism or some of the other deadly forms of Kidney Disease.

Falling hair means weak hair. Then strengthen your hair; feed it with the only hair food, Ayer's Hair Vigor. It checks falling hair, makes the hair

grow, completely cures dandruff. And it always restores color to gray hair, all the rich, dark color of early life.

"My hair was falling out badly and I was afraid I would lose it all. Then I tried Ayer's Hair Vigor. It quickly stopped the falling and made my hair all I could wish it to be."

One Lady's Recommendation Sold Fifty Boxes of Chamberlain's Stomach and Liver Tablets.

I have, I believe, sold fifty boxes of Chamberlain's Stomach and Liver Tablets on the recommendation of one lady here, who first bought a box of them about a year ago. She never tires of telling her neighbors and friends about the good qualities of these Tablets.—P. M. Shore, Druggist, Rochester, Ind. The pleasant purgative effect of these Tablets makes them a favorite with ladies everywhere. For Sale by Isaac Westerman.

QUESTION ANSWERED.

Yes, August Flower still has the largest sale of any medicine in the civilized world. Your mothers and grandmothers never thought of using anything else for indigestion or biliousness. Doctors were scarce, and they seldom heard of appendicitis, nervous prostration or heart failure, etc. They used August Flower to clean out the system and stop fermentation of undigested food, regulate the action of the liver, stimulate the nervous and organic action of the system, and that is all they took when feeling dull and had with headaches and other aches. You only need a few doses of Green's August Flower, in liquid form, to make you satisfied there is nothing serious the matter with you. You can get this reliable remedy at all druggists. Price 25c and 75c.

Every housekeeper should know that if they will buy Defiance Cold Water Starch for laundry use they will save not only time, because it never sticks to the iron, but because each package contains 10 oz.—one full pound—while all other Cold Water Starches are put up in 3-pound packages, and the price is the same, 10 cents. Then again because Defiance Starch is free from injurious chemicals. If your grocer tries to sell you a 12-oz. package it is because he has a stock on hand which he wishes to dispose of before he puts in Defiance. He knows that Defiance Starch has printed on every package in large letters and figures "10 oz." Demand Defiance and save much time and money and the annoyance of the iron sticking.
